THL Group of Companies

Group Profile

THL Foundation Equipment Pte Ltd ("THL") was established in Singapore on 15 April 1994. As a growth oriented group, our focus is to strive for performance excellence in everything we do.

Since our establishment, we have grown our operations substantially throughout Asia. Starting out as a small foundation equipment company, THL Group of Companies has developed into one of Asia's leading foundation equipment companies. After acquiring ICE Far East Pte Ltd in 2011, we have accelerated our expansion throughout the region, utilizing both the ICE and THL brands.

We are currently located with offices in Malaysia, Thailand, Philippines, India, Myanmar, Vietnam, Hong Kong and China, serving the geotechnical and foundation construction industry.

THL Group of Companies is headquartered in Singapore, with approximately 140 employees worldwide; including professional managers and engineers, highly qualified tradespeople and an experienced management team. We have an extensive network throughout the region and are well positioned to exploit growth opportunities in the Asian geotechnical and foundation equipment markets.

Our Products and Services

THL Group of Companies is the one-stop solution for all your company's foundation and geotechnical needs.

- Sales and rental of foundation equipment.
- Rental of steel plates.
- Service and overhaul of rigs.
- Spare parts for equipment.
- Drilling support fluids (polymer and bentonite) and additives (soda ash, etc.)
- Rock (bullet) teeth, soil (auger) teeth
- Drilling tools (augers/buckets) for drilling in all ground formations.
- Equipment for testing and quality control of drilling fluids.
- Instrumentation for monitoring.
- Other foundation and geotechnical equipment and supplies.

The following pages showcase some of our products and services. We have many more available and would be happy to assist you on any enquiries you may have.
