## **CSC SECURES CONTRACTS WORTH MORE THAN \$60 M IN TWO MONTHS**

---

**SINGAPORE, 6 September 2011** – Mainboard-listed foundation specialist **CSC Holdings Limited** (the “Group” or “CSC Holdings”) secured more than \$60 million worth of foundation and geotechnical engineering contracts in the past two months, in addition to the \$100 million worth of projects won in 1Q12. These include some \$20 million worth of infrastructure projects, \$30 million worth of residential and other public sector projects, as well as \$6 million worth of industrial projects.

Some of the significant projects secured include:

- **Infrastructure projects**

CSC won foundation and geotechnical contracts for the construction of two Downtown Line 3 Mass Rapid Transit (“DTL 3 MRT”) projects for

- Kallang Bahru MRT station; and
- Tampines West MRT station.

In addition, the Group also clinched several tunnel survey contracts for a number of MRT stations for DTL 3 MRT projects.

- **Residential and other public sector projects**

Foundation and geotechnical contracts secured were for the construction of

- Two public residential projects in Yishun and Sengkang;
- Private residential projects such as H20 Condominium at Sengkang West; and
- National Continuing Education and Training Campus at Jurong Lake District.

On a regional level, the Group also bagged two foundation contracts for the construction of a residential apartment and a school in the Klang Valley, Malaysia.

- **Industrial projects**

Industrial contracts won include foundation works for the construction of

- Cogeneration plants and ancillary facilities at Jurong Island; and
