TWO-WEEK EXTENSION OF TOTAL LOCKDOWN IN MALAYSIA

Further to the announcement made on 31 May 2021, the Board of Directors (the “**Board**”) of CSC Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to provide an update to its shareholders in relation to the announcement by the Senior Minister for Security of Malaysia on 11 June 2021 that Malaysia will extend its total lockdown for another two weeks from 15 June 2021 to 28 June 2021 (“**Extended Lockdown**”) as the number of new daily COVID-19 infections still remains high.

The Group’s Singapore foundation operations has maintained sufficient stock of key construction materials that are typically supplied from Malaysia, such as pre-cast concrete piles, for its ongoing projects in Singapore during the Extended Lockdown. We do not expect significant delays for our Singapore operations as a result of the Extended Lockdown.

The Group’s operations in Malaysia will remain suspended during the Extended Lockdown. The disruption in Malaysia operations may affect the Group’s performance for the financial year ending 31 March 2022. The Company will continue to monitor the evolving situation in Malaysia closely.

The Company will provide shareholders with further relevant announcements via SGXNet, if necessary, should there be material developments on the matter.
