## **TWO-WEEK TOTAL LOCKDOWN IN MALAYSIA**

---

The Board of Directors (the “**Board**”) of CSC Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to provide an update to its shareholders in relation to the announcement by the Prime Minister’s Office of Malaysia on 28 May 2021 that Malaysia would be placed under a two-week total lockdown starting from 1 June 2021 to 14 June 2021 following a spike in COVID-19 infections locally.

The Group’s operations in Malaysia will be suspended during the two-week lockdown. In addition, the lockdown will temporarily disrupt the supply of key construction materials, such as pre-cast concrete piles, to our Singapore foundation operations.

The disruption in operations arising from the two-week lockdown may affect the Group's performance for the financial year ending 31 March 2022. The Company will continue to monitor the evolving situation in Malaysia closely.

The Company will provide shareholders with further relevant announcements via SGXNet, if necessary, should there be material developments on the matter.
