FOR IMMEDIATE RELEASE

**CSC SECURES CONTRACT FOR BORA RESIDENCES @
TROPICANA DANGA BAY IN ISKANDAR, JOHOR**

✓ **Contract secured in excess of RM80 million**

✓ **Malaysian Contracts secured by the Group to date exceeds RM200 million**

SINGAPORE, 8 November 2013 – Foundation and geotechnical engineering specialist **CSC Holdings Limited** (the “Group” or “CSC”) has been awarded a contract through its subsidiary CS Geo (Malaysia) Sdn Bhd, valued in excess of RM80 million, for the construction of foundations as well as a two-storey basement for the new development, *Bora Residences @ Tropicana Danga Bay* in Iskandar, Johor.

This latest contract award requires CSC to construct bored piles and diaphragm walls, install king posts, as well as a two-storey basement for the new development. Work on this project is expected to commence in November 2013, and be completed by the first half of 2015.

Bora Residences @ Tropicana Danga Bay comes as the second phase of the larger *Tropicana Danga Bay* project, a 37-acre development consisting lifestyle properties, exclusive office and commercial blocks as well as a retail-cum-hotel mall. When completed, this residential development will boast waterfront views, sky decks, residential units and limited-edition penthouses that measure 3,000 sq ft. *Bora Residences @ Tropicana Danga Bay* is expected to transform Danga Bay into a dazzling waterfront city in Iskandar Malaysia.

In recent years, CSC’s efforts towards establishing a strong presence in Malaysia have gained traction. CSC’s other Malaysian subsidiaries have also secured foundation contracts for commercial and private residential projects in Petaling Jaya, Johor Bahru and Penang, as well as piled foundation for the Klang Valley MRT project. With this latest contract win, CSC has secured in excess of RM200 million worth of contracts in Malaysia since April 2013.

The Group continues to clinch contracts in its primary market in Singapore by bagging several new foundation contracts which include public residential housing projects in Yishun, Sengkang and Punggol, private condominiums such as D’Nest and educational institutions like the Overseas Family School in Pasir Ris.

CSC HOLDINGS LIMITED

Co Registration No. 199707845E

FOR IMMEDIATE RELEASE

Total contracts awarded to the Group since the start of its current financial year on 1 April 2013 has increased to approximately \$300 million.

CSC's current order book stands at approximately \$250 million. CSC expects to complete the bulk of its projects over the next six months.

About CSC Holdings Limited

CSC Holdings Limited (SGX: C06) is Singapore's largest foundation and geotechnical engineering specialist, and one of the region's leading ground engineering solutions providers for private and public sector work, which include residential, commercial, industrial and infrastructure projects.

The Group operates principally as a foundation and geotechnical specialist and offers a full range of capabilities in this field, including the construction and installation of large diameter bored piles, diaphragm walls, driven piles, jack-in piles, micro piles, soil improvement works, soil investigation, pile testing and instrumentation services, as well as automatic tunnel and structural monitoring survey.
