Dear Sir/Madam

THE PROPOSED ADOPTION OF A GENERAL MANDATE FOR INTERESTED PERSON TRANSACTIONS

1. INTRODUCTION

1.1 Purpose of this Circular

The Board is proposing to convene the EGM to be held on 12 December 2018 at 10.00 a.m. at 2 Tanjong Penjuru Crescent, Singapore 608968 to seek Shareholders' approval for the proposed adoption of the IPT Mandate; and

In connection therewith, this Circular has been prepared to provide Shareholders with information relating to the IPT Mandate, and to seek Shareholders' approval in respect of the same at the EGM. The Notice of EGM is set out on pages N-1 to N-2 of this Circular.

The SGX-ST assumes no responsibility for the accuracy of any of the statements made, reports contained or opinions expressed in this Circular.

2. THE PROPOSED ADOPTION OF THE IPT MANDATE

2.1 Chapter 9 of the Listing Manual

2.1.1 Chapter 9 of the Listing Manual governs transactions in which a listed company or any of its subsidiaries or associated companies (known as an **"entity at risk"**) enters into or proposes to enter into with a party who is an interested person of the listed company. The purpose is to guard against the risk that interested persons could influence the listed company, its subsidiaries or associated companies to enter into transactions with it that may adversely affect the interests of the listed company or its shareholders.

2.1.2 For the purposes of Chapter 9 of the Listing Manual:

- (a) an **"approved exchange"** means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9 of the Listing Manual;

LETTER TO SHAREHOLDERS

- (b) an “**associate**” in relation to any director, chief executive officer, substantial shareholder or controlling shareholder (being an individual) means his immediate family (i.e. spouse, children, adopted children, step-children, siblings and parents), the trustees of any trusts of which he or his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object, and any company in which he and his immediate family together (directly or indirectly) have an interest of 30% or more. An “**associate**” in relation to a substantial shareholder or controlling shareholder (being a company) means any other company which is its subsidiary or holding company or is a subsidiary of such holding company or one in the equity of which it and/or such other company or companies taken together (directly or indirectly) have an interest of 30% or more;
- (c) an “**associated company**” means a company in which at least 20% but not more than 50% of its shares are held by the listed company or group;
- (d) a “**chief executive officer**” means the most senior executive officer who is responsible under the immediate authority of the board of directors for the conduct of the business of the listed company;
- (e) a “**controlling shareholder**” is a person who holds directly or indirectly 15% or more of the nominal amount of all voting shares in the listed company (unless otherwise excepted by the SGX-ST) or in fact exercises control over a company;
- (f) an “**entity at risk**” means:
 - (i) the listed company;
 - (ii) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or
 - (iii) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed group, or the listed group and its interested person(s), has control over the associated company;
- (g) an “**interested person**” shall mean a director, chief executive officer or controlling shareholder of the listed company, or an associate of such director, chief executive officer or controlling shareholder; and
- (h) an “**interested person transaction**” means a transaction between an entity at risk and an interested person, and a “**transaction**” includes the provision or receipt of financial assistance, the acquisition, disposal or leasing of assets, the provision or receipt of services, the issuance or subscription of securities, the granting of or being granted options, and the establishment of joint ventures or joint investments, whether or not in the ordinary course of business and whether or not entered into directly or indirectly.

LETTER TO SHAREHOLDERS

2.1.3 An immediate announcement and/or shareholders' approval would be required in respect of transactions with interested persons if the value of the transaction is equal to or exceeds certain financial thresholds.

In particular, an immediate announcement is required where:

- (a) the value of the proposed transaction is equal to or more than 3% of the latest audited NTA of the listed group; or
- (b) the aggregate value of all transactions (including the subject transaction) entered into with the same interested person during the same financial year is equal to or more than 3% of the latest audited NTA of the listed group.

In addition to an immediate announcement, shareholders' approval is required where:

- (a) the value of the proposed transaction is equal to or more than 5% of the latest audited NTA of the listed group; or
- (b) the aggregate value of all transactions (including the subject transaction) entered into with the same interested person during the same financial year is equal to or more than 5% of the latest audited NTA of the listed group.

Transactions between an entity at risk and interested persons who are members of the same group are deemed to be transactions between the entity at risk with the same interested person.

The above requirements for immediate announcement and/or for shareholders' approval do not apply to any transaction below S\$100,000 and certain transactions such as those set out in Rules 915 and 916 of the Listing Manual which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested person and hence excluded from the ambit of Chapter 9 of the Listing Manual.

2.1.4 Based on the latest audited consolidated financial statements of the Company and the Group for the financial year ended 31 March 2018, the consolidated NTA of the Group was S\$157,749,000. Accordingly, in relation to the Group, for the purposes of Chapter 9 of the Listing Manual, in the current financial year and until such time as the audited consolidated financial statements of the Group for the current financial year are published, Shareholders' approval is required where:

- (a) the transaction is of a value equal to, or more than, approximately S\$7,887,000, being 5% of the Group's latest audited NTA as at 31 March 2018; or
- (b) the transaction, when aggregated with other transactions entered into with the same interested person during the same financial year, is of a value equal to, or more than, S\$7,887,000. The aggregation will exclude any transaction that has been approved by Shareholders previously or is the subject of aggregation with another transaction that has been approved by Shareholders.

LETTER TO SHAREHOLDERS

2.1.5 Chapter 9 of the Listing Manual, however, permits a listed company to seek a general mandate from its shareholders for recurrent transactions of revenue or trading nature or those necessary for its day-to-day operations such as the purchase or sale of supplies and materials, which may be carried out with interested persons of the listed company. It should be noted that no such mandate can be sought for the purchase or sale of assets, undertakings or businesses. In addition, a general mandate is subject to annual renewal.

2.2 Background and Rationale

The Group's core business includes the provision of foundation and geotechnical engineering works, soil investigation, instrumentation and specialised surveying works, sales and lease of foundation engineering equipment and accessories and property business. As part of its business, the Group has entered and is anticipated to enter into transactions including but not limited to transactions with persons who are considered "interested persons" as defined in Chapter 9 of the Listing Manual. Such transactions are recurring transactions that are likely to occur with some degree of frequency and are part of the day-to-day operations of the Group, and could arise at any time.

As the Group undertakes major construction and engineering projects, its business and operations are heavily dependent on the supply and availability of plant and machinery, as well as office, yard and workers' accommodation. Tat Hong Holdings Ltd ("**THH**") and its subsidiaries (the "**THH Group**") and Tat Hong Machinery Pte Ltd ("**THM**") are a group of companies principally involved in the rental, sale and upkeep of heavy equipment, machinery and accessories. It is in line with the Group's ordinary course of business to enter into transactions with the THH Group and THM for available resources as long as the terms of the relevant transactions are assessed to be in its commercial interests and that of the Group, taking into consideration factors such as pricing competitiveness and priority and/or flexibility in terms of delivery. It is the Group's intention to continue to purchase and rent equipment and machinery such as cranes from the THH Group and THM.

Similarly, the Group leases or rents office premises, yard and workers' accommodation from other parties, including the THH Group. There are entities within the THH Group which own office building facilities, yard and workers' accommodation that are rented out to the Group and other third parties, and earn rental income as part of their business. Where the lease conditions, including rental, offered by the THH Group are competitive or favourable, it would be in the commercial interests of the Group to lease or rent such facilities from the THH Group to be used for the Group's business and operations.

As part of its core business, the Group has also been engaged to provide foundation engineering works such as piling work for projects which other parties such as CMC Construction Pte Ltd have been awarded. The Group's strong design and build capabilities with a comprehensive range of foundation and geotechnical engineering facilities proves to be a valuable resource to the industry. It is the Group's intention to continue to provide services wherever it is assessed to be in the commercial interests of the Group.

The Group has also provided shareholder's loans to its joint ventures in Malaysia. THAB Development Sdn Bhd ("**THAB**") is a joint venture entered into between the Group, Tat Hong International Pte Ltd ("**THI**"), AME Land Sdn Bhd and BP Lands Sdn Bhd to undertake mixed property development in Iskandar Malaysia. Pursuant to the Shareholders Agreement dated 25 October 2013, the Group and THI subscribed for shares equivalent to 5% and 25% of the enlarged share capital of THAB respectively. THAB, an associated company of THI, is developing an industrial development in the Nusajaya area of Iskandar

LETTER TO SHAREHOLDERS

Malaysia (the “**Development**”). Iskandar Malaysia is set to become Southern Peninsular Malaysia’s most developed region where living, entertainment, environment and business seamlessly converge within a bustling metropolis. As a partner in THAB, the Group is able to participate in future creation of value through the Development in Iskandar Malaysia. In October 2013, the Group granted a shareholder’s loan of RM 4.4 million (equivalent to S\$1.7 million) to THAB. In FY2018, the Group had granted additional shareholder’s loans of RM2.8 million (equivalent to S\$0.9 million) to THAB for financing of property development. In 1HFY2019, the Group had granted an additional shareholder’s loan of RM0.7 million (equivalent to S\$0.2 million) to THAB for financing of property development. The shareholder’s loans granted by the Group to THAB is according to its shareholding proportion in THAB.

WB TOP3 Development Sdn Bhd (“**WB TOP3**”) is a joint venture entered into between the Group, Triplestar Properties Sdn Bhd (“**TSP**”), Bluecrest Holding Pte Ltd and WB Land (Ainsdale) Sdn Bhd for the development of commercial properties in Seremban, Negeri Sembilan, Malaysia. Pursuant to the Shareholders Agreement dated 14 September 2017, the Group and TSP each subscribed for 19% of the enlarged share capital of WB TOP3. As a partner in WB TOP3, the Group is able to expand its investment and development portfolio in Malaysia, and diversify its revenue stream to achieve potential enhancement in shareholder value. In 1HFY2019, the Group had granted a shareholder’s loan of S\$972,196 to WB TOP3 for the financing of a land acquisition. The shareholder’s loan granted by the Group to WB TOP3 is also according to its shareholding proportion in WB TOP3.

It is anticipated that the Group will, in the ordinary course of business, enter into transactions with the Interested Persons and such transactions are likely to occur with some degree of frequency. Past transactions between the Group and the Interested Persons for FY2018 are set out in Appendix II.

In view of the time-sensitive nature of commercial transactions, and the need for smooth and efficient conduct of business which is envisaged to include entering into transactions which are recurring in nature or in the ordinary course of business with the Interested Persons, the Directors are seeking the approval of Shareholders (which shall exclude Shareholders who are required to abstain from voting pursuant to Rule 920(1)(b)(viii) of the Listing Manual) for the proposed adoption of the IPT Mandate in respect of future transactions that the Group may enter into with the Interested Persons. This will enable the Group, which are considered to be “entities at risk” within the meaning of Chapter 9 of the Listing Manual, or any entity in the Group, in the ordinary course of business, to enter into Interested Person Transactions with the Interested Persons, provided that all such transactions are carried out on an arm’s length basis, on normal commercial terms consistent with the Group’s usual business practices and pricing policies and on terms which are generally not more favourable than those extended to or received from unrelated third parties and will not be prejudicial to the interests of the Group and the Independent Shareholders.

2.3 Scope of the IPT Mandate

The proposed IPT Mandate will cover a range of transactions arising in the ordinary course of business operations of the Group as set out in Paragraph 2.6 below.

The proposed IPT Mandate will not cover any Interested Person Transaction which has a value below S\$100,000 as the threshold and aggregate requirements of the Chapter 9 of the Listing Manual do not apply to such transactions.

LETTER TO SHAREHOLDERS

The proposed IPT Mandate will also not cover any transaction involving the provision of a loan by the Group to a joint venture with an interested person as such transactions are exempted from the requirement of Shareholders' approval pursuant to Rule 916(3) of the Listing Manual, provided that:–

- (a) the loan is extended by all joint venture partners in proportion to their equity and on the same terms;
- (b) the interested person does not have an existing equity interest in the joint venture prior to the participation of the entity at risk in the joint venture; and
- (c) the Company confirms by an announcement that its audit committee is of the view that:
 - (i) the provision of the loan is not prejudicial to the interests of the Company and its minority shareholders; and
 - (ii) the risks and rewards of the joint venture are in proportion to the equity of each joint venture partner and the terms of the joint venture are not prejudicial to the interests of the Company and its minority shareholders.

Transactions that do not fall within the ambit of the proposed IPT Mandate will be subject to the relevant provisions of Chapter 9 of the Listing Manual and/or other applicable provisions of the Listing Manual.

2.4 Validity Period

The proposed IPT Mandate is subject to the Independent Shareholders' approval at the EGM. If approved by the Independent Shareholders at the EGM, the proposed IPT Mandate will take effect from the passing of the ordinary resolution as set out in the Notice of EGM, and will continue in force until the conclusion of the next annual general meeting of the Company (unless sooner revoked or varied by the Company in general meeting) or the date by which the next annual general meeting is required by law to be held, whichever is earlier. Approval from the Independent Shareholders will be sought for the renewal of the proposed IPT Mandate at each subsequent annual general meeting, subject to satisfactory review by the Audit Committee of its continued application to the Interested Person Transactions.

Triplestar is wholly-owned by Mr. Ng San Tiong, a Controlling Shareholder of the Company, and his immediate family. Accordingly, TSP and Triplestar are each deemed Associates of Mr. Ng San Tiong and are each deemed interested persons for the purpose of Chapter 9 of the Listing Manual.

THH is a wholly-owned subsidiary of THSC Investments Pte Ltd, a subsidiary of Chwee Cheng & Sons Pte Ltd. As at the Latest Practicable Date, Chwee Cheng & Sons Pte Ltd and its Associates together have an interest of more than 30% in THH. Accordingly, the THH Group is deemed to be interested persons for the purpose of Chapter 9 of the Listing Manual.

As CMC Construction Pte Ltd, Technocrete Pte Ltd and THM are subsidiaries of Tat Hong Investments Pte Ltd, they are each deemed Associates of a Controlling Shareholder of the Company and are deemed to be interested persons for the purpose of Chapter 9 of the Listing Manual.

The proposed IPT Mandate will apply to Interested Person Transactions (as described in Section 2.6 of this Circular) which are carried out between any entity in the Group with:

LETTER TO SHAREHOLDERS

The inclusion of the above category of transactions within the ambit of the proposed IPT Mandate will facilitate the entry into such transactions by the Group with Interested Persons that arise in the ordinary course of business of the Group in a more expeditious manner. The Group will also benefit from having access to competitive quotes from, or transacting with, the Interested Persons.

2.7 Benefits of the Proposed IPT Mandate

The proposed IPT Mandate will enhance the ability of the Group to pursue business opportunities that are time-sensitive in nature, and will eliminate the need (pursuant to materiality thresholds imposed under Chapter 9 of the Listing Manual) for the Company to announce, or to announce and convene separate general meetings on each occasion to seek Shareholders' prior approval for the entry by the relevant company in the Group into the categories of transactions set out in Section 2.6 of this Circular. This will substantially reduce the expenses associated with the convening of general meetings (including the engagement of external advisers and preparation of documents) on an *ad hoc* basis, improve administrative efficacy considerably, and allow manpower resources and time to be channelled towards attaining other corporate objectives.

2.8 Review Procedures for the Interested Person Transactions under the Proposed IPT Mandate

2.8.1 The Group has internal control procedures to ensure that the Interested Person Transactions are undertaken on normal commercial terms, and will not be prejudicial to the interests of the Company and the Independent Shareholders. All Interested Person Transactions are to be carried out in accordance with the Group's usual business practices and policies consistent or comparable with the usual margins or costs (where applicable) or prices extended to or received by the Group for the same or substantially similar type of transactions between the Group and unrelated third parties, and the terms are not more favourable to the Interested Persons compared to those extended to or received from unrelated third parties.

2.8.2 To ensure that all Interested Person Transactions are conducted on normal commercial terms and will not be prejudicial to the interests of the Company and the Independent Shareholders, the Group will adopt the specific Review Procedures as set out below.

(a) Purchase of products or services

The following Review Procedures are applicable to (a) the rental of machinery and site equipment by the Group from the Interested Persons, including the maintenance and repair services to be rendered by the Interested Persons for such machinery and site equipment, (b) the purchase of machinery, site equipment, accessories, spare parts and construction materials such as steel by the Group from the Interested Persons, and (c) the rental of office space, yard and workers' accommodation by the Group from the Interested Persons:

- (i) In determining whether the prices, fees and terms offered by the Interested Persons are fair and reasonable and comparable to those offered by unrelated third party vendors or suppliers to the Group, the relevant company of the Group will obtain at least two other quotations from unrelated third party vendors or suppliers for the same or substantially similar type of products or services, contemporaneously in time, as bases for comparison. The prices, fees and terms

LETTER TO SHAREHOLDERS

offered by the Interested Persons shall be no less favourable than those extended by the unrelated third party vendors or suppliers to the Group, taking into consideration relevant factors including, but not limited to, track record, reputation, preferential rates or discounts, specifications, availability of site equipment, machinery, accessories, spare parts and construction materials, delivery schedules and credit terms;

- (ii) In relation to the maintenance and repair services to be rendered by the Interested Persons for the machinery and site equipment rented to the Group, the relevant company of the Group will obtain quotation(s) from the Interested Persons and a director of the relevant company of the Group (or an equivalent person) who has no interest, whether direct or indirect, in the transaction will, based on his industry knowledge, experience and understanding of the general industry practice, determine whether the maintenance and repair service fees are fair and reasonable, taking into consideration relevant factors including, but not limited to, the recent maintenance and repair costs incurred by the Group from third parties, preferential rates or discounts, and complexity of the maintenance and repair works required;
- (iii) In relation to the rental of office space, yard and workers' accommodation, the Group will either (aa) obtain at least two other quotations of comparative premises in the same vicinity (if available), contemporaneously in time, or (bb) engage a property valuer to perform an independent rental valuation of the property, as bases for comparison to determine whether the rental rates and terms offered by the Interested Persons are fair and reasonable, taking into consideration relevant factors including, but not limited to, the accessibility of the workers' accommodation to the working sites, tenure of the lease and size and condition of the premises (including the equipment, furniture and fittings available); and
- (iv) In the event that it is impracticable or not possible to obtain comparable quotations of contemporaneous transactions of the same or substantially similar type of products or services from at least two other unrelated third party vendors or suppliers, a director of the relevant company of the Group (or an equivalent person) who has no interest, whether direct or indirect, in the transaction will (aa) determine if the prices, fees and terms of the products or services offered by the Interested Persons are fair and reasonable and in accordance with general industry practice and the Group's usual pricing policies, and (bb) evaluate and weigh the benefits of, and rationale for, transacting with the Interested Persons, taking into consideration relevant factors including, but not limited to, track record, reputation, preferential rates or discounts, specifications, availability of machinery, site equipment, accessories, spare parts and construction materials, delivery schedules, credit terms, accessibility of the workers' accommodation to the working sites, tenure of the lease and size and condition of the premises (including the equipment, furniture and fittings available).

LETTER TO SHAREHOLDERS

(b) Sale of products or services

The following Review Procedures applicable to (a) the rental and sale of machinery and site equipment, and sale of accessories and spare parts, (b) the provision of construction work services, and (c) the provision of project management services, by the Group to the Interested Persons:

- (i) In determining whether the prices, fees and terms offered to the Interested Persons are fair and reasonable and comparable to those offered to unrelated third party customers, all Interested Person Transactions will be carried out at the prevailing market prices or fees charged by the Group for the same or substantially similar type of products or services, and on terms which shall be no more favourable than the usual commercial terms extended to unrelated third party customers, or otherwise in accordance with the Group's usual business practices and pricing policies, taking into consideration relevant factors including, but not limited to, the profit margins, prices, fees and terms of two other recent successful transactions of the same or substantially similar type of products or services with unrelated third party customers (if available), customer requirements and specifications, complexity and resources required for the services provided, creditworthiness, size and order quantity, preferential rates or discounts, duration of contracts and delivery schedules; and
- (ii) In the event that the prevailing market prices or fees are not available, a director of the relevant company of the Group (or an equivalent person) who has no interest, whether direct or indirect, in the transaction will (aa) determine whether the prices, fees and terms of the products or services charged by the Group are fair and reasonable and in accordance with the Group's usual business practices and pricing policies, and (bb) evaluate and weigh the benefits of, and rationale for, transacting with the Interested Persons, taking into consideration relevant factors including, but not limited to, customer requirements and specifications, complexity and resources required for the services provided, creditworthiness, size and order quantity, preferential rates or discounts, duration of contracts and delivery schedules.

2.8.3 Approval and review thresholds

In addition to the Review Procedures, the following approval procedures will be implemented to ensure that the Interested Person Transactions are conducted on normal commercial terms consistent with the Group's usual business practices and pricing policies, and will not be prejudicial to the interests of the Group and the Independent Shareholders. For the avoidance of doubt, where the approving party (as stipulated herein) has an interest in the Interested Person Transaction to be approved, he/she will inform the Audit Committee and such disclosures should be documented. In the event that any equivalent person with the relevant experience and responsibility (as stated below for the various thresholds) cannot be determined, the approving authority shall be decided by the Audit Committee.

LETTER TO SHAREHOLDERS

The review and approval thresholds for the individual and aggregate transactions shall be as follows:

- (a) Where the value of each Interested Person Transaction is less than 3% of the Group's latest audited NTA, the transaction shall require the prior approval of the head of the relevant company in the Group and verification and confirmation by the Chief Executive Officer (or equivalent person(s)), who does not have an interest, whether direct or indirect, in the transaction;
- (b) Where the individual or aggregate value of the Interested Person Transaction(s) is equal to or more than 3% but less than 5% of the Group's latest audited NTA, the Interested Person Transaction(s) shall require the prior approval of the Chief Executive Officer or an Executive Director (or equivalent person(s)), who do not have an interest, whether direct or indirect, in the transaction; and
- (c) Where the individual or aggregate value of the Interested Person Transaction(s) is equal to or more than 5% of the Group's latest audited NTA, the Interested Person Transaction(s) will be subject to the prior approval of the Audit Committee. If a member of the Audit Committee has an interest, whether direct or indirect, in any Interested Person Transaction, he shall abstain from participating in the review of that particular transaction.

The above approving threshold limits have been adopted by the Group after taking into consideration the nature, recurrent frequency, size and volume of the Interested Person Transactions, so as to provide for business efficiency and at the same time ensure that material transactions with the Interested Persons are reviewed by the Audit Committee.

2.8.4 Other Review Procedures

- (a) In addition to the Review Procedures set out above, the finance department of the Company will maintain an interested person transaction register to record all the Interested Person Transactions (including transactions below S\$100,000) (the "**IPT Register**"). The IPT Register shall include all information pertinent to the evaluation of the Interested Person Transaction such as, but not limited to, details on the identity of the Interested Persons, the amount of the Interested Person Transactions, the basis for determining the transaction prices and supporting evidence and quotations obtained to support such basis. The IPT Register shall be prepared, maintained and monitored by a senior officer of the finance department of the Company (who shall not have an interest in any of the Interested Person Transactions) who is duly delegated to do so by the Audit Committee.
- (b) The Chief Financial Officer (or an equivalent person) will review the IPT Register on a monthly basis.
- (c) The Audit Committee will, at least on a quarterly basis, review the IPT Register to ensure that the Interested Person Transactions have been carried out in accordance with the established Review Procedures. If, during any of the periodic reviews by the Audit Committee, the Audit Committee is of the view that the Review Procedures are no longer sufficient or appropriate to ensure that the Interested Person Transactions are conducted on normal commercial terms and will not be prejudicial to the interests of the Group and the Independent Shareholders, it will, in consultation with the Board, take such actions as it deems proper in respect of such guidelines and review

LETTER TO SHAREHOLDERS

procedures and/or modify or implement such guidelines and review procedures. Accordingly, the Company will seek a fresh mandate from the Independent Shareholders based on new guidelines and review procedures for Interested Person Transactions to ensure that the Interested Person Transactions will be conducted on normal commercial terms and will not be prejudicial to the interests of the Company and the Independent Shareholders. In the interim, the Audit Committee will review every Interested Person Transaction pending the grant of the fresh mandate. The fresh mandate will be in accordance with the requirements of the relevant provisions of Chapter 9 and/or other applicable provisions of the Listing Manual.

- (d) The Audit Committee has the right, when it deems fit, to require the appointment of independent sources or advisers to provide additional information pertaining to the Interested Person Transactions. In the event that a member of the Audit Committee has an interest in any of the Interested Person Transactions, he shall abstain from participating in the review of that particular transaction.
- (e) The Group's annual or periodic (such period as may be decided by the Audit Committee) internal audit plan shall incorporate a review of all interested person transactions (including the Interested Person Transactions under the proposed IPT Mandate) and the established Review Procedures for monitoring of the Interested Person Transactions entered into during the current financial year. The findings will be submitted to the Audit Committee to ensure, *inter alia*, that the Interested Person Transactions have been carried out on normal commercial terms and were not prejudicial to the interests of the Company and the Independent Shareholders, and that the relevant approvals have been obtained.
- (f) For purposes of the above review and approval process, any Director who is not considered independent in respect of the Interested Person Transactions shall abstain from voting on any respective resolution and/or abstain from participating in the Audit Committee's decision during its review of the Review Procedures under the proposed IPT Mandate or during its review or approval of any Interested Person Transaction.

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

2. TERMS OF REFERENCE

We were neither a party to the negotiations entered into by the Company in relation to the Interested Person Transactions contemplated under the proposed IPT Mandate nor were we involved in the deliberations leading up to the decision of the Directors to seek the approval of the Shareholders who are deemed to be independent in respect of the proposed IPT Mandate (the “**Independent Shareholders**”) for the adoption of the proposed IPT Mandate. We do not, by this letter, warrant the merits of the proposed IPT Mandate other than to form an opinion, for the purposes of Chapter 9 of the Listing Manual, on whether the Review Procedures, if adhered to, are sufficient to ensure that the Interested Person Transactions pursuant to the proposed IPT Mandate will be conducted on normal commercial terms and will not be prejudicial to the interests of the Company and the Independent Shareholders. We have not conducted a comprehensive review of the business, operations or financial condition of the Company and its subsidiaries (collectively, the “**Group**”).

For the purposes of arriving at our opinion in respect of the proposed IPT Mandate, we have, as the IFA appointed under Rule 920(1)(b)(v) of the Listing Manual, taken into account the Review Procedures set up by the Company for determining the transaction prices of the Interested Person Transactions pursuant to the proposed IPT Mandate but have not evaluated, and have not been requested to comment on, the strategic or commercial merits or risks of the proposed IPT Mandate or the prospects or earnings potential of the Company or the Group, and such evaluation shall remain the sole responsibility of the Directors.

We were also not required or authorised to obtain, and we have not obtained, any quotation or transacted prices from third parties for products or services similar to those which are to be covered by the proposed IPT Mandate, and therefore are not able to and will not compare the transactions covered by the proposed IPT Mandate to similar transactions with third parties.

In the course of our evaluation of the proposed IPT Mandate, we have relied on, and assumed without independent verification, the accuracy and completeness of published information relating to the Company and/or the Group. We have also relied on the information and representations, whether written or verbal, provided by the Directors and the management of the Company. We have not independently verified such information or representations and accordingly cannot and do not accept any responsibility for the accuracy, completeness or adequacy of such information or representations. We have nevertheless made reasonable enquiries and exercised our judgment as we deemed necessary in assessing the information and representations provided to us and have found no reason to doubt the accuracy or reliability of the information and representations.

We have relied upon the representations of the Directors that, upon making all reasonable enquiries and to the best of their respective knowledge, information and belief, (a) all material information in connection with the proposed IPT Mandate, the Company and/or the Group has been disclosed to us; (b) such information is true, complete and accurate in all material respects; and (c) there is no other information or fact, the omission of which would cause any information disclosed to us or the facts of or in relation to the Company and/or the Group stated in the Circular to be inaccurate, incomplete or misleading in any material respect.

Our opinion, as set out in this letter, is based upon the market, economic, political, industry, monetary and other applicable conditions subsisting on, and the information made available to us as of, 9 November 2018 (the “**Latest Practicable Date**”). Such conditions may change significantly over a relatively short period of time. We assume no responsibility to update,

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

revise or reaffirm our opinion in light of any subsequent development after the Latest Practicable Date that may affect our opinion contained herein.

In arriving at our opinion, we have not had regard to the specific investment objectives, financial situation, tax position, risk profile or unique needs and constraints of any individual Shareholder. As each Shareholder would have different investment objectives and profile, we would advise the Independent Directors to recommend that any individual Shareholder who may require specific advice in relation to his investment objectives or portfolio should consult his stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

The Company has been separately advised by its own advisers in the preparation of the Circular (other than this letter). Accordingly, we take no responsibility for and state no views, express or implied, on the contents of the Circular (other than this letter).

Our opinion in respect of the proposed IPT Mandate should be considered in the context of the entirety of this letter and the Circular.

3. BACKGROUND AND RATIONALE FOR THE PROPOSED IPT MANDATE

The full text of the background of the Interested Person Transactions and the rationale for the proposed IPT Mandate can be found in section 2.2 of the Circular and an extract has been reproduced in italics below:

“The Group’s core business includes the provision of foundation and geotechnical engineering works, soil investigation, instrumentation and specialised surveying works, sales and lease of foundation engineering equipment and accessories and property business. As part of its business, the Group has entered and is anticipated to enter into transactions including but not limited to transactions with persons who are considered “interested persons” as defined in Chapter 9 of the Listing Manual. Such transactions are recurring transactions that are likely to occur with some degree of frequency and are part of the day-to-day operations of the Group, and could arise at any time.

As the Group undertakes major construction and engineering projects, its business and operations are heavily dependent on the supply and availability of plant and machinery, as well as office, yard and workers’ accommodation. Tat Hong Holdings Ltd (“THH”) and its subsidiaries (the “THH Group”) and Tat Hong Machinery Pte Ltd (“THM”) are a group of companies principally involved in the rental, sale and upkeep of heavy equipment, machinery and accessories. It is in line with the Group’s ordinary course of business to enter into transactions with the THH Group and THM for available resources as long as the terms of the relevant transactions are assessed to be in its commercial interests and that of the Group, taking into consideration factors such as pricing competitiveness and priority and/or flexibility in terms of delivery. It is the Group’s intention to continue to purchase and rent equipment and machinery such as cranes from the THH Group and THM.

Similarly, the Group leases or rents office premises, yard and workers’ accommodation from other parties, including the THH Group. There are entities within the THH Group which own office building facilities, yard and workers’ accommodation that are rented out to the Group and other third parties, and earn rental income as part of their business. Where the lease conditions, including rental, offered by the THH Group are competitive or favourable, it would be in the commercial interests of the Group to lease or rent such facilities from the THH Group to be used for the Group’s business and operations.

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

As part of its core business, the Group has also been engaged to provide foundation engineering works such as piling work for projects which other parties such as CMC Construction Pte Ltd have been awarded. The Group's strong design and build capabilities with a comprehensive range of foundation and geotechnical engineering facilities proves to be a valuable resource to the industry. It is the Group's intention to continue to provide services wherever it is assessed to be in the commercial interests of the Group.

It is anticipated that the Group will, in the ordinary course of business, enter into transactions with the Interested Persons and such transactions are likely to occur with some degree of frequency. Past transactions between the Group and the Interested Persons for FY2018 are set out in Appendix II.

In view of the time-sensitive nature of commercial transactions, and the need for smooth and efficient conduct of business which is envisaged to include entering into transactions which are recurring in nature or in the ordinary course of business with the Interested Persons, the Directors are seeking the approval of Shareholders (which shall exclude Shareholders who are required to abstain from voting pursuant to Rule 920(1)(b)(viii) of the Listing Manual) for the proposed adoption of the IPT Mandate in respect of future transactions that the Group may enter into with the Interested Persons. This will enable the Group, which are considered to be "entities at risk" within the meaning of Chapter 9 of the Listing Manual, or any entity in the Group, in the ordinary course of business, to enter into Interested Person Transactions with the Interested Persons, provided that all such transactions are carried out on an arm's length basis, on normal commercial terms consistent with the Group's usual business practices and pricing policies and on terms which are generally not more favourable than those extended to or received from unrelated third parties and will not be prejudicial to the interests of the Group and the Independent Shareholders."

4. BENEFITS OF THE PROPOSED IPT MANDATE

The full text of the benefits of the proposed IPT Mandate can be found in section 2.7 of the Circular and has been reproduced in italics below:

"The proposed IPT Mandate will enhance the ability of the Group to pursue business opportunities that are time-sensitive in nature, and will eliminate the need (pursuant to materiality thresholds imposed under Chapter 9 of the Listing Manual) for the Company to announce, or to announce and convene separate general meetings on each occasion to seek Shareholders' prior approval for the entry by the relevant company in the Group into the categories of transactions set out in Section 2.6 of this Circular. This will substantially reduce the expenses associated with the convening of general meetings (including the engagement of external advisers and preparation of documents) on an ad hoc basis, improve administrative efficacy considerably, and allow manpower resources and time to be channelled towards attaining other corporate objectives."

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

5. SCOPE OF THE PROPOSED IPT MANDATE

The proposed IPT Mandate will cover a range of transactions arising in the ordinary course of business operations of the Group as set out in section 2.6 of the Circular.

Transactions that do not fall within the ambit of the proposed IPT Mandate will be subject to the relevant provisions of Chapter 9 of the Listing Manual and/or other applicable provisions of the Listing Manual.

The Group will also benefit from having access to competitive quotes from, or transacting with, the Interested Persons.

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

8. REVIEW PROCEDURES FOR INTERESTED PERSON TRANSACTIONS UNDER THE PROPOSED IPT MANDATE

8.1 The Group has internal control procedures to ensure that the Interested Person Transactions are undertaken on normal commercial terms, and will not be prejudicial to the interests of the Company and the Independent Shareholders. All Interested Person Transactions are to be carried out in accordance with the Group's usual business practices and policies consistent or comparable with the usual margins or costs (where applicable) or prices extended to or received by the Group for the same or substantially similar type of transactions between the Group and unrelated third parties, and the terms are not more favourable to the Interested Persons compared to those extended to or received from unrelated third parties.

8.2 To ensure that all Interested Person Transactions are conducted on normal commercial terms and will not be prejudicial to the interests of the Company and the Independent Shareholders, the Group will adopt the specific Review Procedures as set out below.

Purchase of products or services

The following Review Procedures are applicable to (a) the rental of machinery and site equipment by the Group from the Interested Persons, including the maintenance and repair services to be rendered by the Interested Persons for such machinery and site equipment, (b) the purchase of machinery, site equipment, accessories, spare parts and construction materials such as steel by the Group from the Interested Persons, and (c) the rental of office space, yard and workers' accommodation by the Group from the Interested Persons:

The prices, fees and terms offered by the Interested Persons shall be no less favourable than those extended by the unrelated third party vendors or suppliers to the Group, taking into consideration relevant factors including, but not limited to, track record, reputation, preferential rates or discounts, specifications, availability of site equipment, machinery, accessories, spare parts and construction materials, delivery schedules and credit terms;
- (ii) In relation to the maintenance and repair services to be rendered by the Interested Persons for the machinery and site equipment rented to the Group, the relevant company of the Group will obtain quotation(s) from the Interested Persons and a director of the relevant company of the Group (or an equivalent person) who has no interest, whether direct or indirect, in the transaction will, based on his industry knowledge, experience and understanding of the general industry practice, determine whether the maintenance and repair service fees are fair and reasonable, taking into consideration relevant factors including, but not limited to, the recent maintenance and repair costs incurred by the Group from third parties, preferential rates or discounts, and complexity of the maintenance and repair works required;
- (iii) In relation to the rental of office space, yard and workers' accommodation, the Group will either (aa) obtain at least two other quotations of comparative premises in the same vicinity (if available), contemporaneously in time, or (bb) engage a property valuer to perform an independent rental valuation of the property, as bases for comparison to

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

determine whether the rental rates and terms offered by the Interested Persons are fair and reasonable, taking into consideration relevant factors including, but not limited to, the accessibility of the workers' accommodation to the working sites, tenure of the lease and size and condition of the premises (including the equipment, furniture and fittings available); and

- (iv) In the event that it is impracticable or not possible to obtain comparable quotations of contemporaneous transactions of the same or substantially similar type of products or services from at least two other unrelated third party vendors or suppliers, a director of the relevant company of the Group (or an equivalent person) who has no interest, whether direct or indirect, in the transaction will (aa) determine whether the prices, fees and terms of the products or services offered by the Interested Persons are fair and reasonable and in accordance with general industry practice and the Group's usual pricing policies, and (bb) evaluate and weigh the benefits of, and rationale for, transacting with the Interested Persons, taking into consideration relevant factors including, but not limited to, track record, reputation, preferential rates or discounts, specifications, availability of machinery, site equipment, accessories, spare parts and construction materials, delivery schedules, credit terms, accessibility of the workers' accommodation to the working sites, tenure of the lease and size and condition of the premises (including the equipment, furniture and fittings available).

Sale of products or services

The following Review Procedures are applicable to (a) the rental and sale of machinery and site equipment, and sale of accessories and spare parts, (b) the provision of construction work services, and (c) the provision of project management services, by the Group to the Interested Persons:

- (i) In determining whether the prices, fees and terms offered to the Interested Persons are fair and reasonable and comparable to those offered to unrelated third party customers, all Interested Person Transactions will be carried out at the prevailing market prices or fees charged by the Group for the same or substantially similar type of products or services, and on terms which shall be no more favourable than the usual commercial terms extended to unrelated third party customers, or otherwise in accordance with the Group's usual business practices and pricing policies, taking into consideration relevant factors including, but not limited to, the profit margins, prices, fees and terms of two other recent successful transactions of the same or substantially similar type of products or services with unrelated third party customers (if available), customer requirements and specifications, complexity and resources required for the services provided, creditworthiness, size and order quantity, preferential rates or discounts, duration of contracts and delivery schedules; and
- (ii) In the event that the prevailing market prices or fees are not available, a director of the relevant company of the Group (or an equivalent person) who has no interest, whether direct or indirect, in the transaction will (aa) determine whether the prices, fees and terms of the products or services charged by the Group are fair and reasonable and in accordance with the Group's usual business practices and pricing policies, and (bb) evaluate and weigh the benefits of, and rationale for, transacting with the Interested Persons, taking into consideration relevant factors including, but not limited to, customer requirements and specifications, complexity and resources required for the services provided, creditworthiness, size and order quantity, preferential rates or discounts, duration of contracts and delivery schedules.

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

8.3 Approval and Review Thresholds

In addition to the Review Procedures, the following approval procedures will be implemented to ensure that the Interested Person Transactions are conducted on normal commercial terms consistent with the Group's usual business practices and pricing policies, and will not be prejudicial to the interests of the Group and the Independent Shareholders. For the avoidance of doubt, where the approving party (as stipulated herein) has an interest in the Interested Person Transaction to be approved, he/she will inform the Audit Committee and such disclosures should be documented. In the event that any equivalent person with the relevant experience and responsibility (as stated below for the various thresholds) cannot be determined, the approving authority shall be decided by the Audit Committee.

The review and approval thresholds for the individual and aggregate transactions shall be as follows:

- (a) Where the value of each Interested Person Transaction is less than 3% of the Group's latest audited NTA, the transaction shall require the prior approval of the head of the relevant company in the Group and verification and confirmation by the Chief Executive Officer (or equivalent person(s)), who does not have an interest, whether direct or indirect, in the transaction;
- (b) Where the individual or aggregate value of the Interested Person Transaction(s) is equal to or more than 3% but less than 5% of the Group's latest audited NTA, the Interested Person Transaction(s) shall require the prior approval of the Chief Executive Officer or an Executive Director (or equivalent person(s)), who do not have an interest, whether direct or indirect, in the transaction; and
- (c) Where the individual or aggregate value of the Interested Person Transaction(s) is equal to or more than 5% of the Group's latest audited NTA, the Interested Person Transaction(s) will be subject to the prior approval of the Audit Committee. If a member of the Audit Committee has an interest, whether direct or indirect, in any Interested Person Transaction, he shall abstain from participating in the review of that particular transaction.

The above approving threshold limits have been adopted by the Group after taking into consideration the nature, recurrent frequency, size and volume of the Interested Person Transactions, so as to provide for business efficiency and at the same time ensure that material transactions with the Interested Persons are reviewed by the Audit Committee.

8.4 Other Review Procedures

- (a) In addition to the Review Procedures set out above, the finance department of the Company will maintain an interested person transaction register to record all the Interested Person Transactions (including transactions below S\$100,000) (the "**IPT Register**"). The IPT Register shall include all information pertinent to the evaluation of the Interested Person Transaction such as, but not limited to, details on the identity of the Interested Persons, the amount of the Interested Person Transactions, the basis for determining the transaction prices and supporting evidence and quotations obtained to support such basis. The IPT Register shall be prepared, maintained and monitored by a senior officer of the finance department of the Company (who shall not have an interest in any of the Interested Person Transactions) who is duly delegated to do so by the Audit Committee.

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

- (b) The Chief Financial Officer (or an equivalent person) will review the IPT Register on a monthly basis.
- (c) The Audit Committee will, at least on a quarterly basis, review the IPT Register to ensure that the Interested Person Transactions have been carried out in accordance with the established Review Procedures. If, during any of the periodic reviews by the Audit Committee, the Audit Committee is of the view that the Review Procedures are no longer sufficient or appropriate to ensure that the Interested Person Transactions are conducted on normal commercial terms and will not be prejudicial to the interests of the Group and the Independent Shareholders, it will, in consultation with the Board, take such actions as it deems proper in respect of such guidelines and review procedures and/or modify or implement such guidelines and review procedures. Accordingly, the Company will seek a fresh mandate from the Independent Shareholders based on new guidelines and review procedures for the Interested Person Transactions to ensure that the Interested Person Transactions will be conducted on normal commercial terms and will not be prejudicial to the interests of the Company and the Independent Shareholders. In the interim, the Audit Committee will review every Interested Person Transaction pending the grant of the fresh mandate. The fresh mandate will be in accordance with the requirements of the relevant provisions of Chapter 9 and/or other applicable provisions of the Listing Manual.
- (d) The Audit Committee has the right, when it deems fit, to require the appointment of independent sources or advisers to provide additional information pertaining to the Interested Person Transactions. In the event that a member of the Audit Committee has an interest in any of the Interested Person Transactions, he shall abstain from participating in the review of that particular transaction.
- (e) The Group's annual or periodic (such period as may be decided by the Audit Committee) internal audit plan shall incorporate a review of all interested person transactions (including the Interested Person Transactions under the proposed IPT Mandate) and the established Review Procedures for monitoring of the Interested Person Transactions entered into during the current financial year. The findings will be submitted to the Audit Committee to ensure, *inter alia*, that the Interested Person Transactions have been carried out on normal commercial terms and were not prejudicial to the interests of the Company and the Independent Shareholders, and that the relevant approvals have been obtained.
- (f) For purposes of the above review and approval process, any Director who is not considered independent in respect of the Interested Person Transactions shall abstain from voting on any respective resolution and/or abstain from participating in the Audit Committee's decision during its review of the Review Procedures under the proposed IPT Mandate or during its review or approval of any Interested Person Transaction.

APPENDIX I – LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

9. VALIDITY PERIOD OF THE PROPOSED IPT MANDATE

The proposed IPT Mandate is subject to the Independent Shareholders' approval at the extraordinary general meeting ("EGM"). If approved by the Independent Shareholders at the EGM, the proposed IPT Mandate will take effect from the passing of the ordinary resolution as set out in the Notice of EGM, and will continue in force until the conclusion of the next annual general meeting of the Company (unless sooner revoked or varied by the Company in general meeting) or the date by which the next annual general meeting is required by law to be held, whichever is earlier. Approval from the Independent Shareholders will be sought for the renewal of the proposed IPT Mandate at each subsequent annual general meeting, subject to satisfactory review by the Audit Committee of its continued application to the Interested Person Transactions.

10. OPINION

In arriving at our opinion in respect of the proposed IPT Mandate, we have considered, *inter alia*, the Review Procedures set up by the Company, the role of the Audit Committee in enforcing the Review Procedures for the Interested Person Transactions pursuant to the proposed IPT Mandate and the rationale for and benefits of the proposed IPT Mandate.

Having regard to the considerations set out in this letter and the information available to us as at the Latest Practicable Date, we are of the opinion that the Review Procedures for determining the transaction prices of the Interested Person Transactions under the proposed IPT Mandate as set out in section 2.8 of the Circular, if adhered to, are sufficient to ensure that the Interested Person Transactions will be conducted on normal commercial terms and will not be prejudicial to the interests of the Company and the Independent Shareholders.

This letter has been prepared pursuant to Rule 920(1)(b)(v) of the Listing Manual as well as for the use of the Independent Directors in their consideration of the proposed IPT Mandate.

Whilst a copy of this letter may be reproduced in Appendix I to the Circular, neither the Company nor the Directors may reproduce, disseminate or quote this letter (or any part thereof) for any other purpose at any time and in any manner without the prior written consent of NCF in each specific case, except for any matter in relation to the proposed IPT Mandate.
