**PROFIT GUIDANCE ON UNAUDITED FINANCIAL RESULTS
FOR THE SIX MONTHS ENDED 30 SEPTEMBER 2022**

The Board of Directors (the “Board”) of CSC Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to announce that, based on a preliminary review of (the Group’s unaudited financial results for the six months ended 30 September 2022 (“**1HFY23**”), the Group is expected to report a net loss for 1HFY23.

This profit guidance takes into consideration the following:

- a) decline in revenue due to low supply of projects from the public and private sectors during 1HFY23 in Singapore and Malaysia;
- b) delay in commencement of work on new projects secured in 1HFY23; and
- c) margin pressure arising from intense market competition due to low demand for construction services and rising cost of sales.

Further details of the Group’s financial performance will be disclosed when the Company announces its unaudited financial results via SGXNet, on or before 14 November 2022.

In the meantime, shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company and consult their stockbrokers, bankers, accountants, solicitors or other professional advisers if in doubt.
